Types: Flaps dock leveller PS and Extendable dock leveller PT

presented by the manufacturer:

**PROJPRZEM MAKRUM S.A.
Ul. Bernardyńska 13, 85-029 Bydgoszcz
Poland**

represented by:

Mr Piotr Szczeblewski

Certification Body TÜV Rheinland Polska Sp. z o.o. confirms that there were no deficiencies in the procedure of product conformity assessment in accordance with the requirements of the Directive 2006/42/WE and 2014/30/UE for Dock levellers, as a result of which PROJPRZEM MAKRUM S.A. drew up the Declaration of Inclusion of 26.10.2018r.

Issuance of the Certificate of Verification of the Manufacturer's Inclusion Declaration does not require control of technical and logistic conditions, supervision or control tests of the product and its place of manufacture.

The Certificate of Verification of the Manufacturer's Inclusion Declaration cannot be treated as an authorization to mark the product with the CE marking. The CE marking is affixed to the product under the sole responsibility of the manufacturer.
